Foundation Level Seminar in Oncology Pharmacy and CNO SIG meeting 2017

1st & 2nd September 2017

Domain Lodge, 1 Boyle Crescent, Grafton, Auckland

Foundation Level Seminar in Oncology Pharmacy – 1st September 2017 (Friday)

The one-day seminar will be aimed at those with less than two years' experience in cancer pharmacy. This first day will feature pharmacology of chemotherapy, immunotherapy and targeted therapy with a comprehensive discussion of side effects and their management. It will also cover skills required to clinically validate a chemotherapy prescription and give advice on chemotherapy administration.

There will be welcome drinks to enjoy and get to know one another at the end of the day.

CNO SIG meeting - 2nd September 2017 (Saturday)

The second day will incorporate the annual meeting of the NZHPA CNO SIG and 'back to basics' sessions on cancer and intravenous nutrition aimed at those new to the area and those with more experience. There will also be a short update from the national Compounding Advisory Group. The afternoon will feature concurrent workshops for cancer and intravenous nutrition.

Everyone is invited to dinner to conclude the 2 day seminar.

More information will be sent out soon with fee and registration details. In the meantime, if you have any questions please contact Laura Clunie – LClunie@adhb.govt.nz
