## ACCOMODATION GUIDE

Here is a selection of accommodation, but there is of course there is a huge range available. Often there are weekend packages or complimentary services available with the booking, especially online or if you are able to book in advance (even on the last minute websites). Please see the respective websites for further details and a full list of amenities.

The first two on the list are close to the hospital in Newtown (the meeting venue). The others are in the city. There are plenty of buses from the city to the hospital. An average taxi fare from the city to the hospital obviously varies depending on location but from the Courtenay Place end of town it would probably be about \$10–12 but more like \$20 if nearer the parliament end of town.

**Note:** Rates quoted are an indicator of price range and may vary. Always confirm on booking.
